QUOTE OF THE MONTH

"Music is a labyrinth with no beginning and no end, full of new paths to discover, where mystery remains eternal."

-Pierre Boulez, French Composer & Conductor-

A NOTE FROM DEAN AND LEANNE

Hello Valued Students & Families,

We are so excited to see all our valued students returning this year, as well as some new faces at Crescendo Music Studios! This year we are running lessons out of two different locations: our **Millennium Place location** (#140-849 Premier Way, Sherwood Park) and **SoundLab Studios** (#195 - 130 Broadway Blvd Sherwood Park). Please ensure you know which location you will be at this year with your teacher!

At Crescendo Music Studios your safety is our top priority! With stringent COVID-19 protocols, socially distanced classes, COVID barriers in rooms and extensive sanitization procedures we are pleased to provide a healthy, clean, and fun environment for all students. At any time, you can switch between **in person AND online lessons to meet your learning needs!** We welcome any feedback you are willing share with us, as we strive to improve and grow our business to better serve our families. Please email Leanne: leanne@crescendomusicstudios.ca any time to offer your valued insights.

Lastly, we thank you for your kind patience as we navigated so many changes over the past few months. We look forward to new programs and offerings this fall, as well as some new socially-distanced performance opportunities!

With Gratitude,

Dean & Leanne Cummings
